Dear David:

Thank you so much for your efforts and services in making O'Brien & Gere's 60th anniversary celebration a success. I know firsthand the effort that was placed into the planning and delivery of the lights and sound. Your dedication and commitment was a strong part in the success.

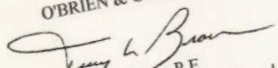

I also appreciate the effort that Mr. John Fentress put into developing our DVD. His patience in dealing with us, especially given the changes, was amazing. I hope he will be recognized for his endless hours of dedication to this part of the event.

We are pleased to partner with Visual Technologies for many of our needs. We were certain this event was going to be a success with you by our side.

Thanks again to your entire staff.

Very truly yours,

O'BRIEN & GERE
