Dear Dave,

I can't begin to express my gratitude for your dedicated support of the chapter and our fundraising events! The addition of the flat screens and "Kitchen Cam" at the 20th Annual Great Chefs Dinner was the topic of many compliments on the evening. I think that our guests particularly enjoyed seeing the happenings from behind the scenes before their meals arrived!

Once again you and your staff “rose to the occasion” for the Red Cross and provided the skill and talent to make the evening that much more to remember!

It was another tremendous event significantly enhanced by the technical expertise of Visual Technologies! Thank you again for all that you do for this community and us!

Sincerely,

Margaret L. Henderson
