

A CASE STUDY — Short-term A/V presentations.

National Women's Hall of Fame
2002 Induction Luncheon

How we deliver success
each time, every time!

From the right projector for a laptop to a complete presentation setup, we rent — daily, weekly, monthly — the equipment you need, all backed with dependable 24/7 support and service.

Rely on us to deliver, setup, test and tear-down each piece, from simple wireless microphones to an entire A/V system.

All you do is show up and shine.

Dear Mr. Baran:

On behalf of the Board, Staff and volunteers of the National Women's Hall of Fame, please accept our sincerest gratitude for the work that you put into making the 2002 Induction Luncheon and Ceremony such a success. Many people commented on how much they appreciated the large screen. We have also had a chance to view the video you sent last week and it looks great!

Thank you for your flexibility in working cooperatively with Sam and Wayne Fuller to set up and prepare for the event. It was very helpful for our dress rehearsal to have everything set and in place on Thursday.

We look forward to working together on Induction 2003.

Most Sincerely,

Marilyn P. Bero
