STATE OF THE ART
AUDIO VISUAL SUPPORT
FROM CNY'S EXPERTS

Visual Technologies Corporation is a full service audio-visual company. With our extensive audio-visual inventory, video production, computer rental and video conferencing services, your presentation options are endless. Each piece of equipment is quality checked to insure flawless operation. Equipment can be picked up at our office, or delivered to your presentation site. We will also set up and operate the equipment at your request.

Let Visual Technologies make your presentation – large or small – look professional and operate smoothly. We will meet to discuss your equipment options, room set-up and seating patterns, budget, and other concerns. The VTC staff is familiar with most of central New York's meeting and banquet facilities, making the planning of your event simple. Imagine the possibilities with Visual Technologies.
